

## Tahajjud Dua

O Allah! All praises are for you. You are the holder of the heavens and the earth and whatever is in them. All praises are for you. You have possession of the heavens and the earth and whatever is in them. All praises are for you. You are the light of the heavens and the earth. All praises are for you. You are the king of the heavens and the earth. All praises are for you. You are the truth. Your promise is the truth and to meet you is true. Your word is the truth. Paradise is true. Hell is true and all the Prophets are true. Muhammad is true and the day of Resurrection is true. O Allah! I surrender my will to you and I believe in you and I depend on you and I repent to you. With Your help I argue with my opponents the non-believers and I take you as a judge to judge between us. Please forgive my previous and future sins - whatever I conceal or reveal. You are the one who makes some people forward and some backward. There is none to be worshipped, but you. You are my King. Make me a subservient servant and in your hand is my soul. Protect me from dajjal and save me from the fire of hell and save me from the punishment of the grave. On the Day of Judgement make me of those who will be under your shade and make me of those who walk comfortably Behind Nabi Muhammad over the Sirat Bridge. Ameen.

## My Dua

Glory be to my Allah - give me salvation from the punishment of the fire. O Allah! Any whom you cast into the fire shall be in eternal shame and there shall be no helper for such wrong-doers. O Allah! I have heard the call from the one calling me to faith and I believe in my Lord. O Allah! Forgive my sins and blot out my iniquities and take my soul to Yourself in the company of the righteous. O Allah! Grant me what you promised me through the Messengers and save me from shame on the Day of Judgment. You never break your promise. O Allah Give unity to the Ummah of Nabi Muhammad - bestow Your mercy on his Ummah. Amin.
